EuroFM Message to Members - December 2022

EuroFM Message to Members

Between Christmas and New Year the EuroFM Secretariat will be closed. From 2 January we will be at your service again.

Meet our new EuroFM Board

During the EuroFM General Members' Meeting on 7 December two new Board Members were elected to join the EuroFM Board from 1 February 2023.

EuroFM Chair, Pieter C. le Roux and Education Chair, Carmel Lindkvist decided not to be re-elected. We kindly thank both for their efforts in bringing EuroFM to the next level and their leadership will be missed. From 1 February the new EuroFM Board will be as follows:

Levent Alatli

Vitalija Danivska

Nathalie Hofman

Tuuli Jylhä

Laurens Lamberts

At the end of January 2023 we will organise a special (online) GMM to present the new division of roles among the board members. More information on this will follow, so keep an eye on our newsletter and socials.

Call for papers Research Symposium

EuroFM calls for research papers to be presented in the 22nd EuroFM Research Symposium 2023 hosted in the EuroFM Conference on 08-11 November 2023 in Istanbul.

The theme of the conference is **'Shaping the next generation of FM'**. The EuroFM network encourages researchers to submit their full (10-12 pages) or short (5-6 pages) papers to EuroFM for a review and to join the research symposium.

1 Feb 2023	Deadline for abstracts
3 May 2023	Deadline for paper submissions
7 June 2023	Reviews to the authors
6 Sep 2023	Deadline for revised papers
27 Sep 2023	Final decision on paper acceptance
11 Oct 2023	Deadline for camera-ready papers
08-11 Nov 2023	EuroFM Research Symposium in Istanbul

We look forward to your submissions!

On behalf of the EuroFM research network,

Dr. Tuuli Jylhä

Dr. Vitalija Danivska
