EuroFM Message to Members - November 2022

## EuroFM Message to Members

### EuroFM Researcher Meetup getting started part 2 and 3

The EuroFM researchers met and discussed the current FM research topics in an online meetup on 7<sup>th</sup> of Oct 2022. The discussion was broad and there was

a lot to share. Thank you for sharing your passion toward FM research!

The allocated time helped us getting started but the discussion was not finished. Therefore, it was decided to continue the discussion in separate sessions. To allow people to be involved in several discussions, we have scheduled two slots to continue the discussion:

<b>Friday 24 Nov 2022, 13-15 (CEST)</b>	<b>Friday 09 Dec 2022, 13-15 (CEST)</b>
<b>13:00</b> <i>Welcome (Tuuli)</i> Practicalities	<b>13:00</b> <i>Welcome (Tuuli)</i> Practicalities
<b>13:15</b> <i>Theme discussions</i> UrbanFM Digitalisation and PropTech Workplace I	<b>13:15</b> <i>Theme discussions</i> Sustainability circularity in FM Workplace II Holistic FM
<b>14:30</b> <i>Summarising</i>	<b>14:30</b> <i>Summarising</i>

Please save the dates! The schedule will be specified later.

The purpose of the meetups is to continue the discussion and to plan possible next steps. In February 2023, the researchers can decide which working group or groups they would like to join in 2023-2024.

Before the next meetups, we are keen to hear your thoughts arising after the first meetup. Please fill in a short questionnaire to share your ideas and proposals. These responses are used to finalise the program for the meetups in November and December 2022. Link to the questionnaire:

<https://forms.gle/h5AarkQ4Ad1KJVsV9>

Please, register for the 24 Nov meetup and get your Zoom details  
<https://us02web.zoom.us/meeting/register/tZlqf-GqqjwrG93KxetloNRWh9uddMMFyiy6>

Please, register for the 09 Dec meetup and get your Zoom details  
<https://us02web.zoom.us/meeting/register/tZwvdOivpzovHtOE9xXh0KS0PvDRwO8iGa8J>

Please feel free to contact our Research Chair Tuuli Jylhä ([tuuli@eurofm.org](mailto:tuuli@eurofm.org)), if you have any ideas or remarks to share.

## **Autumn School 2022**

The Autumn School was held ZUYD in collaboration with TUHUAS, DHBW Stuttgart and University of Applied Science Kufstein. There were over 133 students engaged on the theme 'The ideal office Environment'. While all students produced exceptional work, the winning team was awarded 1000euro to attend World Workplace Europe which is happening in March. More information will follow about this event on the EuroFM website. Congratulations to all who were involved in organizing especially Marisa Habets and Stephan van der Linden. Please contact [Carmel@eurofm.org](mailto:Carmel@eurofm.org) if you wish to organise a EuroFM school.

## **EuroFM Pilot Deep COIL Project**

The EuroFM Deep COIL pilot project is underway which is being led by Daniel von Felton and Reinout Klamer. The goal of this project is to combine different students into teams from different EuroFM universities during this autumn term. While an open call for EuroFM universities happened in March and April 2022, active universities are ZHAW, ZUYD, DHBW Stuttgart, Hanze, Innholland and THUAS. The initial kick off meeting happened in 6 and 7 October at THUAS, with the final meeting happening in December at ZHAW, with students working together through activities online and individually. This is an exciting pilot project for EuroFM in being part of a Deep COIL and providing ways for students and teachers to interact across borders. *More information to follow on the EuroFM website.*

## World Workplace Europe 2023

Preparations for World Workplace Europe in Rotterdam on 22 and 23 March 2023 are in full swing. We offer space on four stages for speakers who discuss relevant and substantive facility themes via the Call for Abstracts (extended deadline 4 November). The spotlight is on the theme “FM leading the transformation towards a better future”.

This year we would like to emphasize the leading role that facility management plays in creating a better world. IFMA and EuroFM are jointly organizing a research track and a student challenge. And we frame the program with a charity dinner, where we also sponsor a sustainable cause. Rotterdam is a creative and innovative city with a very interesting architectural mix of new and renovated buildings and we are busy organizing inspiring facility tours. Famous Flavors, an innovative brand of our platinum partner Compass Group, will serve us a sustainable food concept. Follow our socials and view our website [www.worldworkplaceeurope.ifma.org](http://www.worldworkplaceeurope.ifma.org)

## Invitation to the 15th IFM Congress 2022 TU Wien

- Are Hybrid offices the future? Which trends are developing internationally?
- You are looking for a guidance to successfully implement ESG? What is to be considered when gathering ESG data and how can this be done effectively?

➤ You want to celebrate 15 years of IFM-Congress and 10 years of REUG with us?

Then join us on 17th and 18th of November 2022 at TU Wien for the 15th IFM Congress.

In the usual manner, we show successfully applied best practice models from industry and the latest research results: Hear from Ulrike Gehmacher, Head of Group ESG at Immofinanz, how one of the largest developers in CEE deals with ESG in practice and be inspired by the practical implementation of ESG monitoring in the Theater in der Josefstadt. Take a look into the future of the international workplace with Pat Turnbull.

The IFM Congress is once again THE real estate and FM industry meeting of the year.

The congress will be hybrid, one the one hand at TU Wien with simultaneous translation german-english an on the other hand live online per zoom link.

Click here for information on the program:

<https://www.tuwien.at/en/mwbw/im/bt/ifm/ifm-congress/program>

and the registration:

<https://www.tuwien.at/en/mwbw/im/bt/ifm/ifm-congress/registration-for-the-15th-ifm-congress>

We are looking forward to seeing you at the 15th IFM Congress!

Kind regards. Prof. Alexander Redlein and the REUG-Team

## **EuroFM General Members' Meeting**

On 7 December 2022, from 16.00 to 17.00 CET the EuroFM General Members' Meeting will be held online via Zoom. The agenda will follow in due course but you can already register for this meeting by clicking <https://us02web.zoom.us/meeting/register/tZIsd-iqrzooHtXzljV8vt3uiOvxXftVuwDE>

Please note that this will be the last GMM with the current EuroFM Board consisting of Pieter le Roux, Natalie Hofman, Carmel Lindkvist, Levent Alatli and Tuuli Jylhä. If you are interested in joining the new Board per February 2023, please sign up <https://lejeune131.typeform.com/to/DkAV5VnT>
