EuroFM Message to Members - October 2022

EuroFM Message to Members

EuroFM Conference 2023

Dear EuroFM members, Ambassadors and friends,

I trust you are all doing well!

During the EuroFM General Members' Meeting (GMM) on June 3rd, 2022, in Amsterdam (and online via ZOOM) we presented the first idea for the EuroFM Conference 2023 from 10 – 13 May 2022 in Istanbul, Turkey. However, after that presentation, we have come to learn that these proposed dates unfortunately coincide with the CIB W070 Conference from 8-12 May 2023 in Trondheim, Norway.

As we do not want to divide the FM community and make members and other interested parties choose between these conferences, we have decided to review the dates for the EuroFM Conference in 2022. The Turkish Facility Management Association (TRFMA) who will be organizing this event for and with EuroFM, has now confirmed the following dates for this conference:

9 – 10 November 2023
Istanbul, Turkey

During the next GMM on December 7th, 2022, from 16:00 – 17:00, TRFMA will be doing a more extensive presentation on the venue, conference program and other related events.

Please save this date in your agenda, as we want to meet you in Istanbul!

Kind regards,
Pieter le Roux
Chair EuroFM, and on behalf of the EuroFM Board

EuroFM General Members' Meeting

On 7 December 2022, from 16.00 to 17.00 CET the EuroFM General Members' Meeting will be held online via Zoom. The agenda will follow in due course.

Please note that this will be the last GMM with the current EuroFM Board consisting of Pieter le Roux, Natalie Hofman, Carmel Lindkvist, Levent Alatlı and Tuuli Jylhä. If you are interested in joining the new Board per February 2023, please sign up. <https://eurofm.us9.list-manage.com/track/click?u=4b027e6cc359cc161fc9e41ee&id=f1e9e337b9&e=26bae51284>

World Workplace Europe 2023

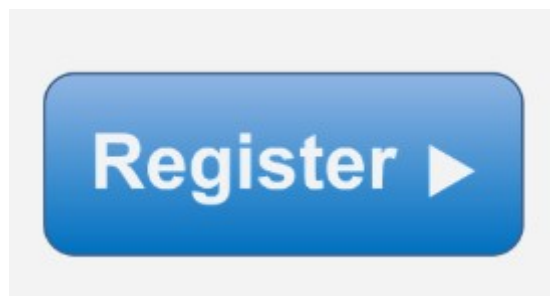

Preparations for World Workplace Europe in Rotterdam on 22 and 23 March 2023 are in full swing. We offer space on four stages for speakers who discuss relevant and substantive facility themes via the Call for Abstracts. The spotlight is on the theme “FM leading the transformation towards a better future”.

This year we would like to emphasize the leading role that facility management plays in creating a better world. IFMA and EuroFM are jointly organizing a research track and a student challenge. And we frame the program with a charity dinner, where we also sponsor a sustainable cause. Rotterdam is a creative and innovative city with a very interesting architectural mix of new and renovated buildings and we are busy organizing inspiring facility tours. Famous Flavors, an innovative brand of our platinum partner Compass Group, will serve us a sustainable food concept. Follow our socials and view our website www.worldworkplaceeurope.ifma.org

Submit your abstract in 3 simple steps:

1. Enter speaker information and bio.
2. Submit your abstract details including session title, type of presentation, topic and outline.
3. Review the guidelines and submit before **Friday, 21 October 2022**.
